

NWJCL – INDOOR CRICKET LEAGUE 2024 – SCORESHEET EXAMPLE

A friendly match between The Windsors CC v Friends CC

The scoring sheet should be usable to non-cricketers as well as the more experienced so there is a lack of symbols in the example.

Notes from the match played below:

- a) Each batting team starts with 200 runs, with runs added / each wicket subtracting 5 from total.
- b) Use a dot for zero runs scored.
- c) Use a circled W to denote a wicket.
- d) No difference between wides & no balls and runs scored.
- e) The batters will swap positions when they run between wickets, at end of over or out.
- f) At the discretion of the Umpire, he/she may swap batters as we all want each batter to face their share of balls.
- g) Any wides and no balls are not re-bowled unless it is the last over (Therefore maybe save your best bowler until the last over ?).

Please do not hesitate to comment.
